2016 Biochemistry & Molecular Biology Master's Scholarship Award Terms and Conditions

AWARD AMOUNT AND TIME PERIOD COVERED BY THE SCHOLARSHIP

The merit scholarship provides 50% of tuition and fees per academic year for the 22 research credits and journal club courses (BMB 7890, BMB 7096 and BMB 8990) required by the program after the initial semester. The award starts with the second semester, only for students who elect the research track 2 option.

To qualify and remain eligible for the scholarship, the student is required to:

1. successfully complete 100% of coursework as defined in Research track 2 expectations, by the end of each semester
...with the exception that BMB 7890 and BMB 8990 are automatically given "Y" grades until the completion of Winter terms or completion and acceptance of the final thesis
2. maintain a minimum of a 3.5 GPA
3. have an approved Plan of Work and Research Plan on file with the department
4. submit an approved Progress Report at the end of every semester
5. maintain at least half time enrollment

The scholarship terminates should a student fail to meet the eligibility requirements above.

A student may submit a written appeal if there is an exceptional experience or unique circumstance beyond the student's control that adversely impacts the student's ability to meet eligibility requirements. The appeal must include a personal statement regarding the nature of the problem and include supporting documentation. The appeal must be submitted to the Director of the BMB Master's program. The appeal will be reviewed by the BMB Graduate Committee on a case-by-case basis. The decision of this committee is final and not subject to further appeal.

The number of scholarships awarded per year will be based on available funds. Wayne State University reserves the right to modify the program.

FINANCIAL AID

Please contact the Office of Student Financial Aid at finaid@wayne.edu for questions related to your financial aid.

SCHOLARSHIP ACCEPTANCE
PLEASE SIGN AND RETURN THIS FORM BY _____
(Retain a copy for your records)

You may mail, email, or fax your complete forms to:
